

Add / Drop Information for International Students

- **Dropping a course**— ISSS must approve all drop requests that take an international student below full-time, as well as all drop requests that involve online courses regardless of the impact on total semester hours. Students receive notification via MyUI whenever they need to seek ISSS approval.
- **Adding a course**—International students do not need an ISSS signature to add a course.
- International students must be enrolled for 12 hours to meet visa requirements.
- International students may not drop their ESL courses or CSI:1600 Success at Iowa.
