**Student-Designed Field**
In unusual circumstances a student may petition the Ethics and Public Policy Faculty Steering Committee to designate a self-designed field. The field is to consist of four courses, drawn from across the curriculum, that bear in an interconnected, coherent way on issues relevant to the major. Proposals may be submitted to epp-ba@uiowa.edu and should include:
- a one page (typed, double-spaced) statement of your academic rationale for the proposed EPP field
- a list of at least eight relevant courses offered at The University of Iowa for the most recent four semesters (may include previous, present and future semesters). You must include the course number, course title, current course description from ISIS, and a 3-4 sentence explanation as each course's relevance to your proposed field and your EPP major

**Honors in Ethics and Public Policy**
- UI g.p.a. of at least 3.50 and a major g.p.a of 3.50.
- Completion of one the following in preparation for the honors thesis, determined by field area:
