

Things I Like (Interests):

(examples: podcasts, math, biking, the History Channel, crafts)

Things I definitely don't want in a major or career:

(examples: science, world languages, working outside, public speaking, unpredictability)

Things That Are Important to Me (Values):

(example: working independently, creativity, a regular routine, assisting older people)

my blueprint

Dream Jobs:

(examples: mental health counselor, owning a restaurant, architect, make up your own job)

Things I'm Good At (Abilities):

(examples: web design, Spanish, communicating, building things)

Next semester, if I could:

Do whatever I wanted:

(examples: study abroad in Costa Rica, work for the Daily Iowan, do research for a professor)

Take whatever classes I wanted:

(examples: environmental science, jewelry making, Japanese, religious studies, anthropology)
