How Each College/Program is Addressing P/N Grading Options

**Undergraduate Colleges**

- P grades will be accepted by the Colleges of Liberal Arts and Sciences, Education, Engineering, Nursing, Pharmacy, Public Health, and the Tippie College of Business.

- Exceptions: College of Liberal Arts and Sciences:
  - Actuarial Science – requires grades in pre-requisite courses: “For now, VEE still requires a grade of B- or better. If P/N is at the student’s discretion we would want them to opt for the grade so we have proof of that level of performance.”
  - Music Therapy – requires grades in pre-requisite courses
  - Social Work – P will be accepted
  - Therapeutic Rec – P will be accepted

- Tippie College of Business Accounting Program will accept P grades, both as pre-requisites for subsequent courses and for admission to the program.

**Graduate Programs**

- Athletic Training - Strongly prefers traditional grades in pre-requisite courses. Applicants need have a C or better grade in their courses and overall GPA is a big factor in admission decisions.

- Child Life: ??

**Professional Colleges**

- Carver College of Medicine: Prefers traditional grades in pre-requisites. Applicants should contact Carver if they do not receive letter grades for prerequisite courses so they can review these on a case-by-case basis. Online lab courses WILL meet pre-requisites.

- College of Dentistry: Requires traditional grades in pre-requisites. If the applicant’s institution has mandated that all coursework change to pass/fail or pass/non-pass due to Covid-19 then transcripts must be annotated with that mandate.

- Physical Therapy: Prefers traditional grades in pre-requisites but will accept a P/F grade for the spring 2020 semester.

- Physician Assistant: Prefers traditional grades in pre-requisites. If the applicant’s institution has mandated that all coursework change to pass/fail or pass/non-pass due to Covid-19 then the program will review these on a case-by-case basis.

- College of Law: Will accept grades of P.
